

WealthTec® Suite Financial & Estate Planning Software

WealthTec Suite is a comprehensive wealth planning application for savvy professional advisors serving the high-net worth/ultrahigh-net worth market. No other product available today provides the depth and breadth of financial and estate modeling capabilities as this system. **WealthTec Suite** includes powerful strategic and tactical planning tools that give you the ability to generate and compare planning illustrations under a number of alternative scenarios. Use it to construct family wealth plans that layer basic and advanced estate planning structures into a comprehensive design.

As a leading provider of sophisticated financial and estate planning software tools **WealthTec** delivers products and services that can help you stand out in a crowded, competitive field. As a satisfied **WealthTec Suite** user you'll join the growing ranks of experienced CPAs, CFP®, CIMA® and CPWA® certificants, trust officers, private bankers, trust and estate attorneys and insurance professionals who have learned firsthand the power of **WealthTec Suite**, which incorporates the key provisions of TCJA 2017.

WealthTec Suite can help you communicate your ideas to clients in a compelling manner. It offers flexible data entry, extensive what-if planning capabilities, informative reports and customizable, client-friendly presentations that explain estate and charitable planning concepts to your clients in a language they can understand. For estate planning designs it is simply unrivaled. **WealthTec Suite** offers a level of financial and estate planning flexibility and integrated reporting you've only dreamed about. Most importantly, it will keep you on the cutting edge...where you belong.
